"For the Lord himself **will come down from heaven**... we who are still alive and are left will be **caught up** together with them in the clouds to **meet the Lord in the air**. And so we will be with the Lord forever." 1 Thes 4:16-18

**Socialist/Marxist Revolution is Underway in USA**

## **An Open Letter From Retired Generals and Admirals To The American People**

Over 120 retired military officers warned in a letter that the country is in **"deep peril" and under "tremendous assault" from socialist and Marxists and implored** Americans to get more politically involved to oppose them.

**"Our Nation is in deep peril. We are in a fight for our survival** as a Constitutional Republic **like no other time since our founding in 1776**. The conflict is between *supporters of Socialism and Marxism* vs. supporters of Constitutional freedom and liberty," the retired officers wrote. They blasted the 2020 election process and argued that Democrat House bill **H.R. 1** and its Senate companion bill S. 1 **would destroy election fairness** and allow **Democrats to forever remain in power** and **end our Representative Republic**.

This is **not an exaggeration** they wrote:

Without honest elections that accurately reflect the 'will of the people,' our **Constitutional Republic is lost**. Using *racial* terms to suppress *proof of eligibility* is a **tyrannical intimidation tactic**. H.R.1 & S.1 would destroy election fairness and allow **Democrats to forever remain in power** violating our Constitution!

HR.1 makes a **mockery of our election system** forcing States to accept ballots **10 days after Election Day!**

The Biden administration has launched a **full-blown assault on our Constitutional rights in a dictatorial manner**, with more than **50 Executive Orders quickly signed**, that **opened our Southern border to an invasion of drug cartels, terrorists, disease, etc.**, but locked down **our** fundamental rights of *assembly, speech and religion*. They wrote, "Stopping the Keystone Pipeline eliminates our energy independence and causes us to be energy dependent on nations not friendly to us. The military should not be used as *"political pawns"* to protect the Capitol against a **"non-existent threat,"** and **eliminate the infusion of Political Correctness** into our military which **damages morale** and war fighting cohesion!" They also argued that the *mental condition* of the Commander-in-Chief "cannot be ignored." "He must **make correct** national security decisions."

**Most of our elections are won or lost by 5 million votes or less**. Adding **18 to 20 million new Democratic voters** can turn conservative states such as Texas or Arizona **"permanently blue."** This would **guarantee Democrat control in federal government forever** as it is in California and New York. That means single party rule, a monopoly that would lead to tyranny. **Communism is not just at the door, it's inside our country. It's here!!**

The Biden proposed **\$2.3 trillion** infrastructure package, the *American Jobs Plan*, facilitating the switch to 'cleaner energy' and expanded social welfare, with a **\$1.8 trillion** family and education package, and the **\$1.9 trillion** Covid-19 relief package, amounts to **\$6 trillion in new spending. SIX TRILLION!** The goal of these **insane policies** is the **complete destruction** of our nation! **This is a program Stalin would have been proud of.**  
**One Nation Under What?**

President Biden left **God out of his National Day of Prayer proclamation**. Just as **Jesus was missing from Biden's Easter proclamation!** Democrats booed **the mention of including God** in the 2012 Democrat platform. The Obama/Biden Administration tried to force the *Little Sisters of the Poor* to pay for contraception! Faith used to unite us. Now it is a primary difference between the atheist left and the right.

## **Income Inequality**

The politics of envy was on proud display when President Biden pledged the rest of his term to **fighting "income inequality."** He said that some people have a higher income than others, and **he said that's not just.** That is his

rationale of thievery. **This is Marxism.** Some guy has it, you want it, ***Biden will take it from you. Vote Democrat. This is the philosophy that is destroying America. The Democrats have enslaved their followers in a culture of dependence and victim-hood in anger, envy and resentment, instead of ability and hope.***

The president's premise is that to ***reduce income inequality***, you must ***degrade the successful!*** But you cannot ***help the poor by destroying the rich.*** You cannot ***strengthen the weak by weakening the strong.*** You cannot ***further the brotherhood of men by inciting class hatred.***

**It is not income inequality! Joe Biden intends to take away FREEDOM.**

They want to take away the ***freedom to succeed and the freedom to fail.*** President Biden and the Socialist-Democrats preach ***equality of outcome as a right***, while completely ignoring ***inequality of effort.*** As Scripture clearly states, "Whatever a man sows, so shall he reap." That's obvious! So, for the most part, the ***harder and smarter*** you work, the ***more you get.*** But Biden and other socialists ***would turn that upside down.*** ***Those who achieve are to be punished while those who fail are to be rewarded. Take from those who earn it and give it to those who don't. That's what socialists represent - a Marxist class war based on envy and covetousness.***

### **Communist Subversion** part 1 #1720

In 1970, Yuri Bezmenov, a Russian KGB ***officer specializing in communist propaganda***, abandoned the KGB and devoted his life to telling people what he and the KGB had been doing to our nation to undermine our freedom and system

of government and ***replace it with communism.*** In 1984, ***Yuri Bezmenov*** gave a speech (***we play cuts of that speech***) revealing the KGB strategy was to ***get our schools to teach*** the idea of ***social justice - which means taking from those who worked for it and giving it to those who didn't***, which is ***redistribution of wealth!***

Look ***how well it worked by looking at what young people believe!*** Unaware of the lies they were taught, 36% of millennials ***approve of communism***, and would exchange it for their rights and freedoms. Without knowing their true American history, students ***have been easily brainwashed to hate our nation and bring it down!***

Bezmenov gave us the answer ***how to reverse or at least slow our slide into communism***, and it's to teach ***patriotism.*** Teach that their ***nation is not evil.*** ***Trump*** began this effort with his ***1776 Commission***, to teach ***our true history***, how we've helped other nations and ***benefitted all of humanity*** with inventions and a demonstration of how freedom can work. But Biden abolished the ***1776 Commission*** because it is ***antithetical to what Marxists want to do to continue distorting and lying about our history and continue the march to communism.***

### **The Evils of Communism** part 2 #1721

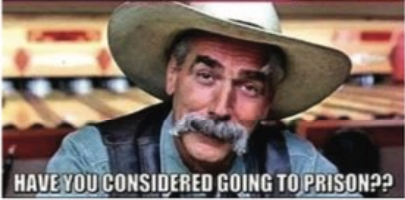

70% of millennials and 64% of Gen Z said they'd be somewhat or extremely likely to ***vote for a socialist candidate!*** ***Jamie*** Glazov, editor of ***Frontpage Magazine***, and author of ***High Noon for America: The Coming Showdown***, emigrated from the USSR and describes the ***terror and oppression under Communism!*** Even in their homes, they spoke in ***hushed tones.*** ***Fear*** reigned as ***the very real threat of family members being taken out of their home in the middle of the night***, never to be seen again, was common. As a graduate student, Jamie tells how professors taught that ***communism is wonderful and capitalism is oppressive!*** How can communist professors believe that communism will work here ***when it has failed to do anything good wherever it's tried***, and results in hundreds of millions of innocent people being slaughtered for its cause?

***Communism is a religion of oppression and tyranny.*** ***Christianity*** has been the ***basis of our freedom.*** Patrick Henry said what was common knowledge in his day that his nation was founded, not ***by religionists*** but by Christians, ***not on religion*** but the ***gospel of Jesus Christ.***

### **What made America different from all others throughout history?**

After ***thousands of years of tyranny***, mankind finally made a ***new form of government***, a unique system of self-government, that was "of the people, by the people and for the people." A government controlled by the people, with the consent of the governed. America was the first nation in history with a foundation based on Biblical concepts. America is the only nation in history to put our sovereignty into the hands of "we the people!"

HAVE YOU CONSIDERED GOING TO PRISON??

Russian military scientist, **Dr Igor Shafid**, author of *Inside the Red Zone*, was a medical doctor who treated nuclear radiated sailors and Chernobyl victims, says that God has supernaturally protected this nation, acting as a *Supernatural Shield against devastation*. If we don't turn back to him, we will experience a *nuclear nightmare*. Dr Shafid wrote, "Some of the most virulent agents like Ebola, smallpox and plague were developed in Russia for long distance *attacks on American cities*. With our border wide open, it would be easy for terrorists to set off waves of destruction, chaos and death." He said, "We could *lose a city* to terrorists and recover, but if *we adopt a communist ideology, the whole country is lost*." Shafid was an atheist/communist but is now a Christian!

*Evils of Communism #1721*

### Teaching our young to hate America

#### Education Secretary Confronted at Budget Hearing for Prioritizing '1619 Project' in K-12 Education

Tom Cole (R-Okla.) confronted *Education Secretary* Miguel Cardona over a proposed new rule that would direct a federal *grant to prioritize the teaching that America is inherently racist*. Cole said he was "deeply concerned" by the *Education Department's* new priority criteria for a \$5.3 million *American History* grant. The proposal cites the "1619 Project" as *exemplary* materials for K-12 educators to use.

*The 1619 Project teaches that the primary reason for the American Revolution was to preserve slavery. Cole's concerns are shared by a group of 39 Senate Republicans who wrote, "It's out of line for the department to cite the '1619 Project' as factual and historical." This is an "activist indoctrination" that "splits our nation by pushing a radical agenda that tears us apart," the senators wrote. The Epoch Times, 5/6/21*

### Escaping From Communist Cuba #1728

Socialism has been *pumped into the head of at least 3 generations of Americans*. **Maria Warren**, who lost everything in Cuba, says we are going in the same direction here with radical Marxists! What shocks most people is *how fast we're turning into a Marxist country*. Maria Warren's family grocery store and trucking company were 'nationalized'! People starved and many disappeared. She said when she arrived here she wanted to *drop down and kiss the ground* out of gratitude for being in a free country. But her dream is ending. Maria said, "If Fidel **Castro or Marx or Lenin** were living in the White House, he would be *doing the exact same things the Biden Administration is doing with* open borders and *trillion dollar give-a-ways* at a record pace so they can re-build this nation as another '*Marxist paradise*'."

❑ What sense did it make to lock citizens up, putting them out of work and socially distanced - masked for a year, to then *open the borders to un-American, unemployed, untested, unlimited illegals?*

#### They finally locked up all the criminals!

*Democrats kill a bill for tuition assistance for children of vets killed in battle, then approve of giving illegals free tuition.*

*A Mexican cannot vote in Mexico without a valid ID. He must come to America to do that. Think about it. Biden, Schumer and Pelosi are eliminating barriers at the border, while keeping fences and barbed wire around the US Capitol! Why do we have more troops in Washington than in Afghanistan? Why is the National Guard "occupying" Washington, D.C? Could it be the Democratic leaders want to protect a Marxist government they fear will come under attack from patriots?*

Their fences and troops won't intimidate or silence us. This is an attempted *coup to transform America into a Marxist state*.

### Israel Under Attack #1735

Israel has come under massive rocket fire from Hamas in Gaza, which was given by Israel in exchange for peace years ago. Why do Muslims kill Jews? Biden will reverse Trump's ban and *fund millions to Palestine*, much of it will be used for *weapons against Israel*. **David Rubin**, author of *Confronting Radicals – What America Can Learn From Israel*, was with his 3 year-old when Muslim terrorists shot them. Rubin says, "The illusion of a indigenous people called Palestinians is a hoax. The Romans wanted to eliminate Israel so they changed its name to Palestine." Tiny Israel is the focus of the world and God.

#### Left-wing Lies

- Israel has been *battered with over 4000 rockets dropping like rain* on Israeli civilians, yet left-wing politicians from Biden on down are *putting all their pressure on Israel, not Hamas*.
- In the midst of the battle, Democrats have introduced resolutions to *block a major arms sale to Israel*.
- Hamas and **Islamofacists** *ignited unprovoked attacks on Israel* but to the American left it's *Israel's fault*.

- **Biden had absolutely nothing to do with the ceasefire.** In fact, **Biden's weakness triggered the conflict.** He did so by repeatedly signaling that he was **NOT going to STAND WITH ISRAEL!**
- **Biden gave the Palestinian Authority \$235 million with no strings attached.**
- Trump brokered **peace treaties (Abraham Accords)** between *Israel and five Arab nations* but the Biden Admin. *mocked those peace treaties, claiming President Trump did nothing in the Middle East.*
- Every day of the conflict, **Iran urged Hamas to kill more Israelis.** But incredibly, the Biden Administration *remained at the negotiating table* trying to cut a deal **to give Iran billions of dollars.**
- **Here's the simple truth: If Israel was weak and its enemies stronger, Israel would literally be wiped off the earth in a second Holocaust, as Iran's supreme leader and Rep. Rashida Tlaib yearn for.**

### **Is An EMP Attack Imminent? #1731**

What happens *when* the electrical grid is shut down? Former CIA Director **James Woolsey** says we are very vulnerable to an enemy EMP attack. **Mike Maloof**, author of *A Nation Forsaken-EMP: The Escalating Threat of An American Catastrophe*, spent 30 years with the *Defense Department* protecting us from terrorism, and now warns that it's not "if" but "**when**" an EMP will be exploded over this country. The results will be catastrophic. It's preventable, but *our government is ignoring it*, so we need to **prepare ourselves**. A huge solar flare, an EMP, or Radio Frequency weapons are a real threat. What can we do to be prepared?

### **The Innocent Civilian German or Russian During WW II** Dennis Prager

One of the biggest revelations has been how the *uninvolved German or Russian* who did nothing to help their fellow citizens under oppressive dictatorships. I understand much more now by watching what is happening in America as tens of millions of Americans have accepted *irrational, unconstitutional and unprecedented police state-type restrictions on their freedoms*, including even the freedom to make a living. And the acceptance by most Americans of the **rampant censorship** on major social media platforms is shocking.

So who are we to condemn the average German or Russian who faced the KGB or Gestapo if he didn't show enthusiasm for their dictator? The left in this country would **send outspoken American conservatives to reeducation camps if they could**. The incessant left-wing drumbeat of the mainstream media and almost every school from kindergarten through graduate school has brainwashed at least half of America every bit as effectively as the German, Soviet and Chinese communist press did! **That thousands of schools will teach the lie of the "1619 Project" is horrendous!** All this is taking place without concentration camps, without a Gestapo, without a KGB and without Maoist reeducation camps. That's why I no longer judge the average German as easily as I used to. **Apathy in the face of tyranny turns out not to be a German or Russian characteristic. I just never thought it could happen in America.**

### **Digital Vaccine Passports?**

**Show your papers!** Increasingly, you **must** show *proof of being vaccinated* against Covid to attend universities, board airlines, or enter libraries, hotels, cruise ships, sports arenas etc.

The U.K. and Israel are the first two nations in the free world to require their citizens to "show your papers" to buy food, enter a pub, a library, a sports arena or theater. *Harbingers Daily* 5/24/21

Mat Staver, chairman of *Liberty Counsel* said, "**Vaccine passports** are a serious threat to our freedoms of travel and equal access to public accommodations."

- The Biden Administration is developing **vaccine credentials** to show proof of vaccination.
- This was never *about prevention*. It was about **gaining control** over the population! **Emergency measures** are the hallmark of a police state since there is **no end for lifting these emergency laws**.

### **Before the Rapture** part 1 #1732

The Covid pandemic shows how quickly and easily Americans will give up their rights and freedoms. Colleges are requiring 'vaccination certificates' this fall. The godless left is using the *covid crisis* for **population control** that's going to be like the coming *end-times* when governments will **require a mark** on your hand or head to buy food. **Creating a submissive populace is a prelude to the government requiring a mark**, a tattoo, on your right hand or forehead to be able to go buy or sell *anything and everything*. **Jeff Kinley**, the author of *Aftershocks – Christians Entering a New Era of Global Crisis*, says a coming world-wide **super crisis will be the rapture of millions of Christians causing massive catastrophes worldwide**.

People will embrace the **great delusion** of the *antichrist possessed by Satan coming back from the dead*. Can most *professing* Christians **be deceived** by the Antichrist? Jesus said, “False Christ’s and false prophets will appear and perform great signs and miracles to deceive even the elect **if that were possible.**” That means it’s not possible. That no **true follower of Christ** will be deceived. “The coming of the lawless one, the *Antichrist*, will display all kinds of counterfeit miracles, signs and wonders, that will **deceive those who are perishing.**” 2 Thes 2:9

“The false Prophet will **have such power from Satan** that he will even make **fire come down out of heaven**, and **fashion an image that will come to life.**” *How can Satan do such miracles?* Just as God permitted Pharaoh’s magicians to perform miracles, God **will allow Satan’s ministers to do the miraculous.**

**The Anti-Christ is so possessed by Satan, he is the Devil with skin on.**

**Since Satan is obsessed with being worshipped**, but only exists in spirit form, he needs **a man** - the anti-Christ, to **receive his worship**. After the rapture, when the restraining influence of the Holy Spirit and the Church are removed from the earth, the *anti-Christ will be revealed*. The anti-Christ isn’t just **against** Christ, he is a fake Christ, a *false Messiah*, and a *counterfeit Christ*.

The anti-Christ will have **supernatural power and incredible deception** doing false **signs and miracles** that appear genuine to imitate Christ. But after 3 ½ years, the anti-Christ is *killed from a head wound*, but miraculously **he rises from the dead**. This really convinces the world that **he REALLY is DIVINE**. He becomes so energized, he enters the Jewish Temple in Jerusalem and **declares himself God Almighty**. This is what Daniel and Jesus call the **abomination of desolation**. He will blaspheme God and demand, by law, to be worshipped. Anyone who refuses to **worship him** will be killed by having his **head chopped off**.

To ensure loyalty, the anti-Christ will require everyone to have a mark on **their right hand or forehead**. Without his mark, you cannot buy or sell or even work for a living. Thus you won’t be able to buy groceries, get into a hospital, cannot buy a house or car. **You could starve a slow painful death**. Without the mark, you could be called a **traitor to the state**.

But if you take the *mark of the beast*, Rev 14:9 says, “If anyone worships the beast and his image and receives his mark on the forehead or on the hand, he too, will be tormented with burning sulfur ... **they will spend eternity in hell.**” The test of our faith *means trusting God, not trusting Satan*, to provide for you. The mark won’t be a smart microchip or implant but be a **visible mark like a tattoo**. Harvard and MIT are testing a ‘smart tattoo’ with ink that changes color to indicate glucose levels. It’s named “*Dermal Abyss.*”

**Rapture or Great Tribulation?** part 2#1733

**Pastor John MacArthur** expounds on Romans 1:28, “Since they did not think it worthwhile to retain the knowledge of God, **God gave them over to a depraved mind**, to do what ought not to be done.” John MacArthur says when God was taken out of our schools in the 1962 and ‘63 Supreme Court decisions, we went from a **sexual revolution** in the 1960’s, to a **homosexuality revolution**, and now we’ve **degenerated to having a depraved mind not knowing male from female**.

**Ben Shapiro** answers a confused student at a school assembly who asks what about transsexuals who don’t fit into either male or female category. Ben Shapiro says that he will not go along with the insanity of multiple genders. The girl asks where that’s written. Ben says ‘*boy*’ as in the *Boy Scouts*, but he *could have said in the Bible*. Boy means **boy**, girl means **girl**, there is no such thing as **half boy and half girl**. There are only **two sexes**, male and female. Yet schools **continue to confuse** students teaching that **Timmy has two dads!**

California Bill Requires ‘Gender Neutral’ Stores, Fines Retailers \$1000 For Having Separate ‘Boy’ & ‘Girl’ Toy Departments. If a man pretends to be a woman, everyone is required **to pretend** with him. That’s crazy!

**Jeff Kinley**, the author of *Aftershocks –Christians Entering a New Era of Global Crisis*, says the antichrist, fully possessed by Satan, will perform miracles to convince the world that he’s divine. He will kill the two witnesses. Revelation 11:5-12

I will give **power** to my two witnesses. If anyone tries to harm them, **fire comes from their mouths** and **devours their enemies**. These men have power to shut up the sky so that **it will not rain during the time they**

*are prophesying*; and they have power to **turn the waters into blood and to strike the earth with every kind of plague as often as they want**. Now when they have finished their testimony, the beast that comes up from the Abyss will attack them, and overpower and **kill them**. For three and a half days, **men from every people, tribe, language and nation will gaze on their bodies** and refuse them burial. *But after the three and a half days, a breath of life from God entered them, and they stood on their feet, and terror struck those who saw them. Then they heard a loud voice from heaven saying to them, "Come up here." And they went up to heaven in a cloud, while their enemies looked on.*

In the Great Tribulation, God's two witnesses were given great supernatural powers, but God allowed them to be killed and **the whole world saw their bodies** lying in the street. **Only recently has technology advanced to where the whole world could see their dead bodies!** Rev 11:9 says, "For 3 ½ days, *men from every people, language and nation will gaze on the bodies of the two witnesses.*" Never before in history has there been satellite TV, cell phones and the Internet that could show their bodies through satellite technology that was invented July 10, 1962. Are we living in the **end of the age and the beginning of the Great Tribulation?** We are getting close!

Satan knows the Bible. He knows he ends up in the **Lake of Fire** forever. But he has so **blinded himself by his pride** that he thinks he can **take on God and win**. Sure he has some victories. Satan thought that he could somehow **short circuit** God's plan by **destroying the Jews** so God couldn't fulfill his plan with the Messiah, so he could defeat God. Satan used Pharaoh and Herod to kill all the Jewish male children. But with the **thousands of years of killing and hate**, you would think Satan would realize **he can't win against Almighty God**.

In Revelation 12, in the middle of the 7 years of the **Great Tribulation**, Satan is **thrown down to earth** once again with hordes of his demons. And **all hell breaks loose**. This **demoralizing defeat** will **infuriate** him and **ignite a fury** never seen before on earth. He will **explode with rage** and wrath knowing he has only a short time left. Jesus said, "When you see the abomination of desolation standing in the holy place – flee to the mountains." i.e. RUN!

Since there has not been a temple in Jerusalem since the last one was destroyed in 70 AD, for the anti-Christ to commit the abomination of desolation, there must be a temple rebuilt in Jerusalem. **Jeff Kinley** says preparations are being made to build a **third great temple** that could take as little as a few months or a year.

#### **After The Rapture** pt 3 #1734

Some people say the rapture is just an escape. It's no more an escape than getting on Noah's Ark before the Great Flood. **Pastor Jack Hibbs** says he's excited to be "raptured" up to meet the Lord. **Jeff Kinley**, the author of *Aftershocks – Christians Entering a New Era of Global Crisis*, says the time is coming when **all believers** will be 'caught up' i.e. **raptured** up to be with Jesus, as the **Christ rejecting world** goes through the **Great Tribulation**.

The prophecy in Zech 14:4 states upon **Jesus Second Coming** his **feet will touch down** on the Mount of Olives and split the mountain from east to west, forming a great valley, with half of the mountain moving north and half moving south. The touch down location of Jesus' feet could well be **the exact spot from which he ascended when he left earth 2,000 years ago. Amazing!**

A geological survey of Israel discovered the Mount of Olives to be at imminent risk for an earthquake with a fault line running through the middle of the mount from east to west. This fits perfectly with Zechariah's prophecy 2500 years ago. But God doesn't need an existing fault line for Jesus to split the mounting, but God allowed that discovery to give the world authentication and anticipation for Biblical faith and hope.

Jeff Kinley put it this way:

The pre-tribulation rapture is referred to **14 times** in the New Testament. Five times it refers to being 'caught up' to heaven. **God's anger was satisfied with the sacrifice of His Son on the cross as payment for our sins. God will no longer punish us! We won't be under God's wrath in the Great Tribulation.** There is no mention of His Church after Revelation 4 because they have been **raptured out before God pours out his wrath**.

Believers in Christ will come **bursting out of their graves, out of the deep ocean depths with re-made bodies, re-united with their spirits from heaven**. We will be in a glorified state with a body like Jesus when he rose from the dead. This new body will last for all eternity. We will return to heaven with Jesus to remain during the Great Tribulation on earth.

“In a moment, a flash, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed.” 1 Cor 15:52 The Rapture will be instantaneous!

After the Rapture of 50 million Americans, this nation will collapse and no longer be a ‘super power’. What will those left behind say? **Alien abduction? One man** will emerge from the worldwide chaos and parlay this post rapture mayhem into leadership to assemble 10 nations in a confederacy to rule Europe. This will be a final **One World Government, headed by the anti-Christ**, that will occupy the same geography as the Ancient Roman Empire. Eventually the anti-Christ will eliminate the 10 presidents or kings and rule the world from Babylon, the headquarters of the *New World Order*. Rev 18:2 says Babylon will be, “The dwelling place for demons and a haunt for every impure spirit, a haunt for every unclean bird, a haunt for every unclean and detestable animal.”

Jeff Kinley says, “If God can make Israel a nation after 2,000 years of dispersion, then Satan could make Babylon a city for his anti-Christ. Isaiah 13:19 prophesied that Babylon would one day be totally decimated like Sodom and Gomorrah. More than 200,000 people live in the city of Babylon in Iraq partially rebuilt by Saddam Hussein.

Jeff Kinley reveals **God’s magnificent plan from rapture to return to earth with Jesus to be in His Millennium Kingdom and reign with Him for a 1000 years**. What will life in the Millennium be like? What will we do? Then, **after the Millennium, the New Jerusalem will come down from heaven**. WOW. This will be beyond our minds to fully comprehend. **It’s fantastic that God is telling us in advance what his magnificent plan for the future in eternity will be!** Just as Jesus said to his beloved disciples, “I no longer call you servants, because a servant does not know his master’s business. Instead, I have called you friends, for **everything that I learned from my Father I have made know to you.**”

### Memorial Day #1730

Freedom is not free but purchased at great cost. Memorial Day is a day to remember the sacrifices that paid for our freedoms. **Gary Horton**, a motivational school assembly speaker, was an Army Ranger who fought for our freedoms, yet he’s not given the freedom to speak about his Christian faith in public schools. Schools have rewritten our history, banned the flag, and banned the motto and the pledge. Christians have accepted the lie that we must deny our faith in public and deny the basis of where our freedoms came from- Biblical Christianity. Without this understanding, our freedoms are in grave jeopardy.

### Freedom From Nicotine #1729

A whole generation of young Americans getting hooked on nicotine, e-cigarettes or vaping, that has increased 900% among high schoolers, has created a national health crisis. **Dr Robin Deterding**, a lung specialist, says vaping can lead to chronic lung diseases. Vaping a cartridge a day is the same nicotine in a *pack of cigarettes*. **Mary Young**, the author of *Get a Life! And Make it Smoke Free*, says cigarettes contain 6000 chemicals. Surgeon General **C. Everett Koop**, who got warning labels on cigarettes, warned of second hand smoke, and said tobacco manufactures target kids to smoke and know they are poisoning people for money.

### God’s Vision For America #1727

How can America get back to the ideas that made **it the greatest Christian nation in history?** **Peter Marshall**, author of *The Light and The Glory*, says, “Colonial New England produced the most incredibly, well-educated generation of Founding Fathers who were not only brilliant, but they were full of Godly Character.” Amazing achievements include the revival at Yale led by its president; Jonathan Trumble read the entire Bible at age 4 and passed the entrance exam to Yale at age 7. John Quincy Adams was an ambassador to Russia at age 14. We are seeing that without absolute values, corruption and destruction are certain.

### Can America Recover? #1726

No generation has witnessed more fulfilled prophecy, since Christ, as this present generation. Yet many more prophecies are on the threshold of fulfillment. Iranian leaders believe the only way to bring the Caliphate into world dominion is to destroy Israel. **Joel Rosenberg**, author of *Damascus Countdown*, predicted 9/11 nine months before it happened, now suggests Israel will launch a preemptive strike against *Iran*, but if they fail to get all the nuclear warheads, retaliation from the Islamic world would be *overwhelming*. He says, “An atomic Iran could do in 6 minutes what it took Hitler 6 years to do, kill 6 million Jews.”

## Learning Styles – Boys vs Girls #1725

School kids are being used as *pawns in the cultural/spiritual war*. The teachers are trained to teach 'gender equality', 'gender identity,' and sexual orientation to children. It's **child abuse** to try to *change a child's innate nature*. **Dr Michael Gurian**, author of *Raising Boys By Design*, says boys learn differently than girls and need to be taught differently. A boy's *energetic spirit* is seen as disruptive, and he may be put on Ritalin. Understanding the "hard wired" brain differences between the way boys and girls learn can mean the difference between success and failure. Boys learn by doing. God created males and females differently for different purposes.

## Belief Determines Destiny #1724

Parents pay huge sums of money for a Christian education but will that education undermine their student's faith? Are Christian colleges compromised? **Ken Ham**, of *Answers in Genesis* and author of *Already Compromised*, surveyed hundreds of Christian colleges to find out if they were truly Biblical. What he discovered may surprise you, such as a majority teach evolution as a viable option or true! Compromised colleges produce compromised students who are weak and confused Christians instead of courageous Christian leaders, teachers or pastors who speak with confidence and authority.

## "We have a madman in the White House." Wayne Root

**Joe Biden is either insane; or he doesn't care about the lives of Americans;** or he's a *puppet for the forces of evil*, intent on destroying this great country. *What other reason* could there be for opening our border **wide open**? Any illegal alien, coming from the *worst terrorist hellholes in the world*, with no Covid test, no test for diseases, and no idea if they're a terrorist, can come into this country. If I were a dictator of one of America's enemy states, I would be *excited to empty my prisons and send the worst of the worst criminals to America*. And I'd be laughing as I sent terror cells across that open border to terrorize the American people and collapse the U.S. economy. All hell could break loose for the next 9/11! All because we have a **madman in the White House**. Anyone can see what's coming. Another 9/11, or a massacre at a college, church, or synagogue. Or a dirty bomb that makes a major U.S. city uninhabitable for decades. **One man is to blame. Biden let them in. Biden did this to us.**

## ❖ Humor

- When people see a cat's litter box they say, "Oh, have you got a cat?" I just say, "No, it's for company!"
- It's weird being the same age **as old people**.
- Chocolate is God's way of telling us *he likes us a little bit chubby*.
- Actual testimony from a murder trial was recorded in the LA County DA's office. A defense attorney asked the pathologist, "Before you signed the death certificate, had you taken the pulse?" Pathologist: "No" Attorney: "Did you listen to the heart?" Pathologist: "No." Attorney: "Did you check for breathing?" Pathologist: "No" Attorney: "So, when you signed the death certificate *you weren't sure the man was dead*, were you?" Pathologist: "Well, let me put it this way: **The man's brains were in a jar sitting on my desk. But, I guess it's possible he could be out there practicing law somewhere.**"

## Ironies

- A Portland OR high school cancelled the evergreen tree as their mascot because a school board member said a 'tree' might conjure up a **tree for lynching blacks**. Evergreen trees have never been used for lynching.
  - Last year 449,163 (*enough to sway any election*) Californians received a jury summons, which they declined, using **"I am not a citizen**. I can't be on a jury". The source for jury summons is the **VOTER REGISTRATION** list.
  - People who never owned slaves should pay slavery reparations to people who have never been slaves.
  - The NRA murders 0 people and receives (\$0) nothing in government funds. *Planned Parenthood* kills 350,000 babies every year and receives \$500,000,000 in tax dollars annually.
  - The government wants to **take away guns from citizens** but gives *Iran the right to have a nuclear bomb*.
- It is a privilege to live in this nation *at such a time as this*. We are privileged to see *so many foretold events playing out before our eyes!* God is training us to live with **faith and hope in Him**, free from worry and fear!
