"Woe, (judgment is coming) to those who call evil good and evil; who substitute darkness for light and light for darkness;" Isa 5:20

Joe Biden **gave Afghanistan to the Taliban**, abandoning 35 to 40 thousand of our citizens and allies to brutal terrorists. Then, he went on vacation. **He is unfit to be Commander-in-Chief! Period!!**

Afghanistan marks the end of America's global leadership.

How is it possible for us to have been in Afghanistan for 20 years and after so much *sacrifice in blood and treasure*, we have been *defeated by an enemy that has neither a powerful air force nor a navy*, but **captured the entire nation in just days** from the *once most powerful nation on earth*? *This would not have happened under President Trump.* The *US military is only as strong as the Commander-in-Chief, Biden*, who went AWOL and abandoned the Afghan people and *thoughtlessly gave them up to a ruthless group of ragtag militants that didn't even have an air force, navy or well armed army.* **People who voted for Biden should be ashamed of themselves!**

What kind of president gives our enemies weapons to use against us?

The **Biden administration's weakness & failures** has shown that America **betrays allies, but helps our enemies**. Biden carelessly withdrew the military *protection for civilians* in Afghanistan leaving up to 40,000 Americans stranded in enemy hands and abandoned billions of dollars of military weaponry. Under this *senile* President, our nation has given our enemies **tens of thousands of hostages!** He's given the brutal/savage Taliban, our most *sophisticated weapons* enabling them to have **11 military bases** including **Bagram Air Base**, one of the most advanced bases in the world. This *bungling* president gave our enemies the **newest hi-tech weaponry**, many advanced *Blackhawk attack helicopters*, 174 Humvees, 10,000 rockets, and **tens of millions of rounds of ammunition!**

Desperate Afghans, who frantically had clung to the side of the huge aircraft, plummeted to their deaths after it took off. The runway became so strewn with people *desperately running for their lives* that Apache helicopters were called in to clear the way for the last C-17s to take off. **If asked, our brave and valiant military men would love to go back and rescue Americans and our allies.** The purpose of the military is to protect unarmed civilians. Biden should have taken them out

before taking our troops out! Civilians made the mistake of believing President Joe Biden's July *assurances that they would be protected*. Just months into his presidency **Joe Biden has committed one of the greatest military and national security blunders in modern American history.** **Biden should be impeached and court marshaled for treason and dereliction of duty and high crimes! He is worse than an enemy.**

Biden's damage to our national security and reputation will not end soon.

An even greater risk is Biden's **HUGE mistake in holding our southern border wide open**, which will guarantee another 9/11 as Taliban terrorists hunt us down **here**. The idea was to **fight them over there**. Now we will see **suicide bombers blowing up shopping centers, high-rise buildings, restaurants and weddings like they do in Israel.** We are defenseless **with such an incompetent president** who stopped our military from protecting civilians in Afghanistan. He won't protect us here either. Biden ignored top generals who repeatedly warned him of the deadly dangers of his senseless *actions*. When Biden took office, he was given a *carefully constructed plan* put together by Trump, Pence and Pompeo, but Joe

IT'S REALLY SIMPLE,
IF AMERICANS WON'T
VOTE DEMOCRAT

THEN I WILL IMPORT
PEOPLE WHO WILL

completely ignored it and went ahead with his **impulsive, thoughtless decision** instead of an *easy withdrawal of civilians*. **His fiasco is a colossal defeat for the USA.**

At the *time of crisis*, the Commander in Chief was more of **an enemy, than our president**. This feeble, indecisive man has **given this nation the worst self-inflicted humiliation of its history**. Yet, when he was interviewed by Stephanopoulos, he said he would *do the same thing again*. WHAT? This confused man **learned nothing** from his **terrible actions and refused to admit he was wrong**. Biden said, *"I don't think it was a failure."* He tried to divert attention away from his disaster by telling Florida Gov. Ron DeSantis and Texas Gov. Greg Abbott that **they should force school kids to wear masks** to prevent covid. This *hack of a politician* is so out of touch that he is **obsessed with kindergarten kids wearing masks** and *not on the crisis in Afghanistan?*

✓ Heartbreaking video from Kabul, Afghanistan, shows people passing their infant children to others in the crowd ahead of them at the Kabul airport hoping that the babies and toddlers will be evacuated. Others showed frantic mothers throwing their babies over the barbed wire in a desperate attempt to save them from the vicious Taliban killers. Taliban fighters shot and killed a woman for *not wearing a burqa* in Afghanistan. A photo of a woman in Takhar province lying in a pool of blood, with loved ones crouched around her, killed by Taliban terrorists for *not having her head covered*. That's Sharia Law! Others had **eyes gouged out or ears cut off** for violations of the draconian Sharia Law.

What kind of people would elect such an incompetent man for president?

- The people who said **Trump was too crude and proud**, so they voted **against Trump!**
- The media that makes up 'news' persuaded uninformed voters to believe **Democrat lies** about Trump.
- The schools have **dumbed down students** to believe the secular media **and blindly vote Democrat**.
- The *social media* is blindly Democrat! Twitter allows the **Taliban to post** but **President Trump is banned**.

America's loss is Communist China's gain

For two decades, America's war in Afghanistan has drained U.S. military resources. By 2020, the number of China's navy battle ships had increased to **360**. **The Communist Party has built the world's largest navy in 20 years, while the United States was preoccupied with other things**. In contrast, the U.S. Navy has only **297** battle-ships today. America's **loss in Afghanistan is Beijing's gain**, as China is filling the void left by Americans. Taliban leaders offered China protection to their investments in Afghanistan. **The Chinese embassy in Kabul is open while the U.S. ambassador fled, and the US embassy is permanently shut down. Will China now takeover Taiwan and Russia the Ukraine? Will Russia, China and Islamic nations attack Israel? Biden doesn't care.**

Taliban Going Door-To-Door Seeking Christians, Searching Phones For Bible Apps

The Taliban are going door-to-door taking women and children. **If they find a young girl and the house was not marked with an X, they will execute the entire family**. If a married woman, 25 years or older is found, the Taliban promptly **kills her husband**, and rapes, beats or sells her as a **sex slave**. Husbands and fathers have given their wives and daughters guns and told them that when the Taliban come, **they can choose to kill them or kill themselves—it is their choice. Kill or be killed.**

One Christian man said, **"All of our work over the past 20 years has been lost overnight**. Only God understands how much pain we have and how broken our hearts are. We are not crying out of fear, but because our hearts ache for our beautiful country. It has now been destroyed by this terrorist group."

Taliban are rifling through cell phones to look for any apps that would give them away as Christians. If the Taliban finds a downloaded Bible, or any Christian website, they will shoot them on the spot. No trial, no questions, just a bullet to the head. **The good news is that they go immediately to heaven with our Lord Jesus!**

God's Hostage part 1 #1736 & part 2 #1737

Andrew Brunson author of *God's Hostage – A True Story of Persecution, Imprisonment and Perseverance*, wrote, **"Suddenly a man in a camouflage jacket outside our church pointed a pistol at me and began firing point at blank range -12 feet away. His eyes were filled with rage**. All I could do was stare at the pistol that was trembling in his grip. Six shots rang out in succession. Then he dropped the pistol and pulled out a shotgun. I

knew **he couldn't miss with a shotgun**. All I could do was rush over and wrap my arms around him in a tight bear hug. I held on for dear life. He cried out, 'You started a Christian church! We will kill you.'

After pastoring in Turkey for 23 years, **Andrew Brunson** was taken into the police station for questioning. Little did he know that he would not be able to leave *but be imprisoned for two years* in filthy prison cells surrounded by Muslim criminals and terrorists. He describes his first cell:

The basement cell was torture. No bed, no mattress, no sink, no toilet, no window – totally dark. I lay down on the hard cold concrete floor wrapped in a thin blanket. **It was winter and I was freezing**. They took away my glasses. There was nothing to do, no reading, no writing and nobody to talk to. I could feel myself falling apart. The fear was overwhelming. *How could I stop from going crazy? I felt panic!* I'm going into a total melt down! I felt **abandoned by God** and surrounded by **evil powers in Satan's territory**. I was losing my mind and faith. Why was God silent? Was I turned over to Satan to be tested? **Suddenly the words came out of my mouth, "Do you even exist God?"** But I resolved to declare my love for Jesus and submit, without God answering my questions. I will continue to love and follow Jesus no matter what happened.

Then his sentence was **changed to 35 years in a filthy crowded prison where he felt abandoned by God**. He describes his Sakran Prison cell:

It was *filthy*. The bag of bread was covered in a **thick green mold** from hanging in the window. The **squat toilet was covered in human waste**. The **tap water** would make you sick to drink. The guards come to the door and **slop the meal** into communal bowls through a hatch in the door. I had lost 50 pounds since being arrested. In a cell built for 8 men, there were **20 men so close together my face was just inches away from a Muslim sleeping next to me who hated me and wanted to kill me**. I began thinking of suicide. **Heaven was just a rope length away. I became angry at God and started shouting at him. I had a crisis of faith.**

One summer day it was **116 degrees, hot as an oven. In the still air, there were 20 Muslim men crammed together sweating profusely. The stench was horrific.** The Muslims called me a **filthy, vile animal**.

In Turkey, you can be imprisoned without a trial for years, *even spend your life in prison*, simply on the *word of one secret witness*. That's what happened to him. So he was held as a *political prisoner at the whim of President Erdogan*. Brunson wondered why his *loving heavenly Father would abandon him*, but God used his imprisonment to start a **world wide prayer movement and the salvation of Muslims in Turkey**. His wife Noreen contacted President Trump asking that he negotiate with the president of Turkey for his release. Many US Senators, Tillis, Brownback, Graham and Shaheen visited him in prison and supported his release.

When the trial began, he was *given the mic to speak to the court*. He **BOLDLY** said to the anti-Christian Muslims, "There is only **one way to be saved**, to have your sins forgiven. That's through faith in Christ. I know why I am here. It's an honor to witness for my Lord and suffer for His sake." *He didn't care what they did to him.*

President Trump doubled the tariffs on Turkish steel and **\$40 billion dollars was wiped out** in the Turkish stock market. *The Economist Magazine* called Brunson, "**The world's most expensive prisoner.**" *His captivity was costing the Turkish economy huge sums of money.* It's amazing that the U.S. would do so much- even imposing sanctions on a NATO ally, for the release of a pastor no one ever heard of. He was the most prayed for man in the world. God used his *imprisonment to orchestrate a worldwide prayer movement* as millions prayed for the Turks.

After his release he wrote, "In my days in prison I became *consumed with seeking God*. There's a **depth of intimacy** that only comes through **severe testing by God**. The isolation, the fear, the threats drove me to cling to God as never before. I miss being so completely dependent on God and want the desperate seeking that I had."

"In all this you greatly rejoice, though for a little while you may have had to suffer grief in all kinds of trials. ⁷These have come to prove the genuineness of your faith." 1 Peter 1:6-7

Impending Economic Collapse #1738

The Democrats have done to our country what no enemy could ever have done to destroy our country! Now with their diabolic leaders – **Biden, Pelosi and Schumer**, they have **shredded our reputation** throughout the world. **Trillions of dollars in wasteful squandering of our nation's wealth! What else can they do to make the**

dollar worthless and bankrupt our nation? Our national debt is over **\$28 trillion dollars** and rising fast. The debt per person is now \$86,045. But that's not the whole picture. The cost of interest on the debt alone is \$1 billion every day. Our national debt **will be the downfall** of the greatest Republic the world has ever known. In the history of mankind, socialism and communism have not only failed to help the poor, they have *slaughtered and starved them*. Despite the **\$6.4 trillion squandered in the past 12 months**, congresswoman AOC wants \$10 trillion more. **What did that \$6.4 trillion accomplish?** **Don Boys**, author and educator, wrote the article, *Total Collapse of Economy Will Result in Anarchy*, says when the shelves at the market are empty, chaos and anarchy will result in tyranny.

NEA Says It Will Teach Critical Race Theory In All 50 States

The NEA embraces MARXISM and SUPPORTS critical race theory and the "**1619 Project**," that America was founded on racism and slavery! The NEA also vowed to team up with the Marxist group *Black Lives Matter* and the *Zinn Education Project*, named after the Marxist historian Howard Zinn. These are the teachers that teach your kids.

Critical race theory teaches that America, the most tolerant nation in the world, is **irredeemably racist and bigoted**. When only one side is presented, it's **indoctrination**. Stubborn teachers unions held rallies in 22 cities **to support critical race theory despite the law and parental wishes**.

- The Democrats in California voted unanimously to teach "critical race theory" to explain to black kids they are "oppressed" by whites and **must rise up against their "oppressors."**
- Keisha King, a black mother from Duval County, said, "Telling a black child that he's the *victim of oppression* is *discouraging him from even trying to succeed.*"
- In Greenwich, Conn., parents told of a "**white-bias**" survey for seventh-graders.
- Florida's governor, Ron DeSantis, said CRT is "teaching kids to *hate their country* and to hate each other."
- There are more reasons *than ever* to get your children & grandchildren **permanently out of public schools**.

The American people have long ignored the **political activism** in our public schools. Christians have ignored teaching evolution only with no mention of the scientific evidence for Biblical creationism. Finally they are beginning to WAKE UP! There has been a massive uprising of parents blasting school boards for their support of this vile **critical race theory**; for indoctrinating innocent children with a Marxist-infused curricula intended to sow division among

children; to see them confront the lie that our nation was **founded to preserve slavery** as the **1619 Project** teaches. Parents are seeing their **children are propagandized, not educated. Parents are fighting back!**

CRT has infiltrated our military. Joint Chiefs of Staff Chairman General Mark Milley said in a recent congressional hearing that he wanted to learn more about **white supremacy**. Maybe he should learn more about **Islamic supremacy**. Military leaders are doing seminars on *Critical Race Theory* instead of how to **fight a war**.

A guide to *Critical Race Theory* was sent out by the Biden Administration to all 13,000 school districts. Biden's Marxist puppets at the *Department of Education* are extremists pushing a radical Marxist ideology in our schools, that white people are oppressors and blacks are oppressed. That's a Marxist ideology to divide and conquer using race instead of economic class; working class versus the capitalists. Thousands of Americans are angry and fighting back. A black father, Ian Rice, complained that "CRT would teach my daughter **that her mother is evil.**"

Critical Race Theory part 1 #1740 & part 2 #1741

America has long been a target for a Marxist revolution. But instead of workers revolting against capitalists, they are replacing an **economic revolution with a race revolution**. **Ben Shapiro** says the Marxist revolution hasn't worked here because the working class wanted upward mobility to **improve their country rather than overthrow it**. **Carol Swain** says university Marxists created this fantasy of systemic racism to divide Americans by race.

Chris Rufo, Manhattan Inst., debunks critical race theory and has inspired legislation in many states to ban CRT.

- In a **jaw-dropping ten-minute throw down**, New York mother **Tatiana Ibrahim** blasted her school district for "teaching communist lies," "undermining faith in God!" She said, "My husband is Muslim. I am Christian. **You don't know what race I am. You don't know what race my daughter is. How dare you divide us!**"

Critical race theory is **Marxism designed to replace our Constitution with communism**. The NEA has allocated millions of dollars to defend critical race theory from all opposition. **James Freeman**, with the *Wall Street Journal*, says the *1619 Project*, teaches that **preserving slavery was the basis of our founding**. **Chris Rufo** says critical race theory is **deeply imbedded in all of our government**. CRT has replaced **competence with prejudice**. **This is a serious threat to our national security. Promoting people based on race and not competence**. NFL star **Jack Brewer** experienced racism but overcame racial prejudice through the love of Christ. He says racism is a **SPIRITUAL** problem. Martin Luther King famously said, “I have a dream that people would not be judged by the **color of their skin but by the content of their character**.” **CRT turns that around to judge people by the color of their skin and NOT the content of their character. But CRT says that whites are guilty of racism and oppression and need to be overthrown. That’s a Marxist revolution!**

“There is neither Jew nor Greek, slave nor free, male nor female, and we would add- neither **black nor white**, for you are all one in Christ.” Gal 3:28

Exodus From Public Schools part 1 #1742

The Exodus from public schools has begun. Critical race theory was a wake-up call to parents. **Ray Moore** President of *Exodus Mandate* says **every church should be a school**. He said, “We’ve been complaining about the schools for decades! It’s **like trying to teach a pig to dance. The pig gets mad and we get dirty**. It’s time to give it up and take out kids out of *pagan public schools*.”

The Biblical mandate is for the parents to educate their children!

⁶ These **commandments** that I give you today are to be on your hearts. ⁷ Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up. ⁸ Tie them as symbols on your hands and bind them on your foreheads. ⁹ Write them on the doorframes of your houses and on your gates.” Deu 6:6-7

This is not a suggestion but a command from the Lord. What is being described is **home schooling** by parents. Can you imagine the Israelites *turning their kids over to the Philistines to raise*? Of course not! But that’s what American parents do when they *hand their children over to secular humanists enemies of the gospel!*

Educator **Dr Robert Simonds** says, “With 10 churches for every school district, churches should unite to rescue their children from losing the faith in humanist schools. Nobody cares more about your child than you the parent. The teacher won’t have to live with your child the rest of their lives like you will.” **Candace Owens** says classrooms have become predatory to Biblical beliefs. **D. James Kennedy** says schools are expert at converting children to humanism.

Exodus From Public Schools part 2 #1743

We are witnessing a **spiritual war** for the future of our nation using **schoolchildren as pawns**. **Alex Newman**, author of articles in *The New American: Rescuing Our Children*, says there is a **deliberate** dumbing down of children using a look-say method to teach reading where students *memorize words* instead of sounding out syllables that’s a proven failure that produces illiterates.

Can we take back our public schools?

Taking back schools is like **taking back brothels. They never were ours in the first place. They are doing exactly what they were designed to do**, i.e. create a worker class in a socialist culture. The founders of the public school movement, Horace Mann and John Dewey, influenced the teacher’s colleges so they would unwittingly follow a pattern used in communist countries, to transform America to socialism and communism. Their socialism is working to transform our nation. Why would they want to change it? It’s doing what they want?

The Culture War is a Spiritual War

The source of the culture war is the public schools *using children as cannon fodder to change the culture*. Those who say **children are salt and light in the schools** are saying children **can be soldiers**. Can you imagine putting an over size uniform on a child, giving him a rifle, and putting him a foxhole to fight the Taliban? No of course not. Children need to be rescued from enemy territory. Hardened humanist educators have perfected **turning little Christian children into liberal Democrat Socialists**. They are skilled at turning them against the God and patriotism of their parents! There’s no contest between a child and a **seasoned secular atheist** as statistics bear out. **Approximately 90% of Christian children lose the fight and lose their faith in the enemy pagan school system. Why would we want to throw them to the demonic lions to devour them?**

Even Christian educators within this system freely admit that *they are not in control over the curriculum* that's the opposite of a Christian Worldview. Public schools provide Marxist propaganda in the guise of education that's increasingly socialist and communist. Many pastors and parents still cling to the illusion that public education is not poisoning their children's souls. Some will never give up this cherished lie.

Public Schools Propagate Atheism

When public schools first began the mid 1800's, a theology professor, Archibald Hodge, wrote this classic quote:

"The American system of popular education (public schools) will be the most efficient instrument for the **propagation of atheism** the world has ever seen." He was exactly right! He was prophetic!

Academics are secondary to *instilling secular values by removing moral and spiritual values* (Biblical absolutes), teaching that there are *no standards of right and wrong*. **Jesus said a student will become like his teacher. Secular teachers produce secular students. Parents and churches are inadequate to counter the deadly evil done in an hour on Sunday morning to 30 hours a week of atheist training.**

Scripture is clear:

- ❑ **"Do not conform to the pattern of this world, but be transformed by the renewing of your mind."** Ro 12:2
- ❑ **Everything about a public school education transforms your mind** to the pattern of this world. JUST THE OPPOSITE of God's word!
- ❑ Jesus declared, **"Love the Lord your God with all your heart and with all your soul and with all your mind."** ALL OF YOUR M-I-N-D! What part of **"ALL"** don't you understand?
- ❑ Psalms 1: Blessed is the man who **walks not in the counsel of the ungodly**, nor stands in the path of sinners, nor sits in the **seat of the scornful (mockers)**; ² But his *delight* is in the law of the LORD, and in His law he **meditates day and night.** Homeschoolers can meditate on scripture day and night.
- ❑ Public schools are the *totally the counsel of ungodly, mockers of God's word* with evolution, gender-is-a-choice – there's no difference between boys and girls. Some schools *don't even call them boy or girl*. Talk about confusing children! Showing children **Drag Queen Story Hour** -with a transvestite as role model.

❑ Vouchers Mean Choice #1746

Fl. Gov. Ron DeSantis signed into law a **\$200 million school choice program** for vouchers K-12. Instead of humanist public schools converting Christian kids to humanism, how about **Christian schools taking vouchers and converting secular students to Christ?** **Milton Friedman**, the greatest economist of the 20th century, says, "Choice doesn't take money from public schools but gives the money to parents to use at any school of their choice. Choice improves education by competition." **Myron Lieberman** says, "Christian schools do a better job for half the cost of public schools." **Robert Enlow** and **Leslie Hiner**, say, "Improving education is no longer theoretical but a proven fact through years of choice in practice in many areas."

Life Without Limbs #1747

How could God have a purpose for a person born without arms, hands or legs? **Nick Vujicic**, a best selling author, evangelist and international speaker has spoken to *hundreds of millions* of people. Nick Vujicic wrote, "If you can't get a miracle, be a miracle." He said, "People expect someone with a severe disability be inactive, angry and withdrawn. I like to surprise them by **showing I lead a very adventures and fulfilling life.**" Nick's mom and dad were encouraging Christians. His mom said, "You just have a few **bits and pieces** missing, that's all."

Nick has surfed, skydived, skateboarded, dived off the high dive, etc., without arms or legs. He has *only two toes* that he uses *like fingers* to type on a computer, turn pages in a book or *balance and not fall over*. To get up, he pushes his head against a wall and uses his abdominal muscles to get upright. His disability has given him a unique opportunity to **transform lives**. He spoke across all of Russia and met with President Putin. He has witnessed miracles like praying for the paralyzed founder of a human trafficking industry in India! She was miraculously healed and became a Christian. If Nick can **have purpose and joy without arms or legs, then anyone can**. While Nick was speaking openly about his faith in Christ at a school, a girl in the audience completely broke down in tears sobbing. I invited her up. As she wiped away her tears, she gave me a *huge hug*. Nearly everyone in the audience broke down in tears. Nick wrote,

I lost it entirely when she **whispered** in my ear: "*Nobody has ever told me that I am beautiful the way that I am. No one has ever said that they love me. You've changed my life, and you are a beautiful person too.*"

“God took my unusual body and invested me with the ability to *uplift hearts and encourage spirits*, just as He says in the Bible: “*For I know the plans I have for you...plans to prosper you and not to harm you, plans to give you hope and a future.*” Nick talks about faith as an acronym: **FAITH** = *Full Assurance in the Heart*. And **FEAR** is *False Evidence Appearing Real*. Put ‘GO’ in front of disabled = **GOD IS ABLED!** Aren’t they great?

He wrote, “I have seen *more joy in the slums of Mumbai and the orphanages in Africa* than in wealthy gated communities and on sprawling estates worth millions. *God does not make mistakes, but he does make miracles. I am one.* You also have a purpose, something to contribute. *You would not be alive if it were not so. I’ve come to see my lack of limbs as an asset. People only have to see me to know I have overcome many challenges.*”

Godly Wisdom for Education, part 1 #1744

Dennis Prager, said he is asked, more than any other question, “What can I do about the Leftist destruction of this nation?” Dennis Prager said, “The one thing you can do to fight back against the Leftist destruction of our nation is to *take your children out of public schools.*” Radio hosts **Kevin Swanson** and **Adam McManus** say putting a Christian in public school is like playing Russian roulette with their education and their souls. But instead of one bullet, there are *4 or 5 bullets in the gun*. Public schools rob children of their innocence and confuse them with critical race theory. **Carole Joy Seid**, said, “The most effective tool in shaping a child’s character is *great literature.*” *The right book at the right time can change a child’s destiny.*

Godly Wisdom for Education, part 2 #1745

“Schools make kids dumber,” says 17 year-old **Eddie Zhong**, who started his own successful computer business. “Schools can stunt *creative thinking.*” Education for the masses is not as good as one-on-one. **Israel Wayne**, author of *Homeschooling From A Biblical Worldview*, says public schools don’t train young minds to *think critically*, to debate both sides of issues, but homeschool does. What is a good education without Christ in every subject? Secular schools make secular students. Education is Biblical discipleship. **Dr Raymond Moore**, the grandfather of homeschooling, says statistical research of geniuses throughout the ages shows there are three common elements to producing genius. Do you know what they are? Get the CD to find out. Children are made by God to be *insatiable learners*, until *that desire is quenched*. Schools can stunt *creative thinking*. What do you want *your child to become and to believe?* What is a good education if it leaves God out? *Education is more than academics. It’s discipleship.*

Jesus said, “GO and make *disciples* of all nations and *teach them ...*” (Matt 28:18) Jesus *commanded* His followers to make disciples and **TEACH** them! What does this *scripture mean* to the 90% of Christian parents who *put their kids in pagan public schools?* How do American *pastors miss this?* How can they obey this Command from God when they have *no Christian school?*

We send missionaries overseas yet neglect to disciple our children here.

Parents! The education you choose for your child *will determine their success or failure in life!* 94% of home schooled students kept their Christian faith while 90% of public schools students reject their Christian faith. When schools were closed during the pandemic, many parents taught their children from home, and *found it more beneficial than public school.* Now, the U.S. Census Bureau is reporting households homeschooling their children rose by 11%, more than doubling from the 5.4% just six months earlier.

Parent’s comments on homeschooling:

- “He was learning so much more at home than he ever did in school. School is so chaotic! We don’t get very much done. It’s just crowd control.”
- “My son did great with just two hours of schoolwork a day and piano lessons.”
- More and more parents are seeing the benefits in their children’s academic achievement as well as in their *behavior*. One parent said, “I felt **God** was holding my hand.”

The unintended consequence of the pandemic has been parents taking the lead for their children’s education, in academics as well as faith.

People Before the Flood part 1 #1739

The idea that ancient men were primitive brutes, cave men, is a myth based on evolution that contradicts the Biblical account of the Patriarchs, who had extreme intelligence, plus lived hundreds of years, and thus developed sophisticated chemistry in Egyptian embalming. **Don Landis**, editor of *The Genius of Ancient Man-Evolution’s Nightmare*, gives examples such as the thousands of pyramids around the world that used massive

100-ton stones fitted together so precisely you couldn't slide a credit card in the joints. In the religious tower of Babel, man rebelled against God and tried to be equal with God. The religion of Babel is still here. It's called HUMANISM. ***If humans evolved, there's no way to explain their extreme intelligence millenniums ago.***

Ironies

- We're living in a generation that would unplug *your life support*, just to **charge their cellphone**.
- Marriage tip; don't ask your wife *when dinner will be ready* while she is **mowing the lawn**.
- Never take a sleeping pill and a laxative on the same night. And never lick a steak knife.
- Whoever said, "Out of sight, out of mind," never had a *spider* disappear in their bedroom at night.
- My wife asked me to take her a restaurant that makes food right in front of you. I took her to **Subway**.
- I picked up a hitchhiker. He asked if I wasn't afraid that he might be a serial killer? I told him the odds of two serial killers being in the same car were extremely unlikely.
- If a cow doesn't produce milk, is it a milk dud or an udder failure?

Everything you Always Wanted to Know about Heaven - Randy Alcorn

Satan doesn't need to convince us that heaven doesn't exist, just a place of boring, unearthly existence. If we believe that lie, we'll be robbed our joy and **anticipation**. We can't anticipate or desire what we can't imagine. That why God has give us **glimpses of heaven in the Bible**.

If we deny the existence of **hell**, we minimize Christ's work on the cross. If Christ's crucifixion and resurrection didn't deliver us from an eternal hell, his work on the cross is less heroic, less deserving our full gratitude! Seeing Jesus hands with the nail-hole scars will always remind us that our sins nailed Him to the cross. It will remind us of our great appreciation for what he did for us. Our minds will be clearer in heaven, not foggier.

The earthly beauty we see now will gain even deeper beauty with majestic mountains, dramatic waterfalls, magnificent trees and spectacular vistas and exquisite flowers. The things we love are previews of the greater life to come. Wouldn't it ***be just like God to take our beloved pets into the New Earth to allow us to enjoy them*** with the wonders of the new Earth?

To see God will be our greatest joy, the joy by which all other will dim in comparison. To look into the face of JESUS is to see the Person ***who made us for his good pleasure***. We will spend countless millennia exploring the depths of Jesus Christ. Jesus didn't become a man *temporarily but permanently*. His ***incarnation will last forever*** and his throne will be on the New Earth.

Christ is not just preparing a place for us; he is preparing us for that place. As a Christian, ***the day I die will be the best day I've ever lived***. ***Our loved ones didn't leave home they went home to heaven. We will stand on the New Earth*** to see it, feel it, smell it, *taste its fruits* and hear its sounds and have a resurrected body like Jesus! Jesus saw and heard and felt, and when he cooked and ate fish after his resurrection he smelled and tasted it. Our resurrected bodies will be able to taste better than anything we've ever eaten here. The best food we will ever eat await us on the New Earth.

Feelings are not part of the curse; they are part of how God made us human from the beginning. ***I'm convinced that Christ will laugh with us, and his wit and fun-loving nature will be our greatest source of endless laughter***. Jesus never suggested that the deep relationships between married people will end. I fully expect that my wife and I will be closer friends than ever. We will remember fondly the lives we lived together on the old earth, remembering the cherished moments we shared.
