➤ Ps 9:17 says, "The wicked shall be turned into hell, and all the nations that forget God."

Dear Brothers and Sisters in Christ,

Since we grew up in the 1950's, we are amazed and shocked at how quickly this nation has turned away from decency, morality and the freedoms we've known. How did our nation go from being a light upon a hill to pushers of perversion? How did our culture become so crude, vulgar and violent even blasphemous in such a short time?

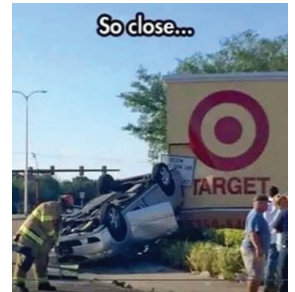

What has caused the moral collapse in this "one nation under God?"

One of America's greatest pastors, Francis Schaeffer, wrote in The Great Evangelical Disaster; "There was a time when the ancestors of the people of Europe, India and Africa knew the truth but turned away. But there is no greater exhibition in history where a nation knew the truth and turned away with such a desperate force in such a short period of time as the USA. Not only has our nation turned away from Biblical truth but turned away from the blessings the truth brought our culture including freedom and prosperity."

"Do not take this lightly! It is a horrible thing for a man like myself to look back and see my country and culture go down the drain in my lifetime. It's a horrible thing to look back a few years and realize that even non-Christians knew the gospel and built our culture on a Christian consensus! Our country deserves the wrath of God as Romans 1:18 warns: "The wrath of God is being revealed from heaven against all the godlessness and wickedness of people, who suppress the truth by their wickedness."

Franklin Graham has issued a stark warning to Christians.

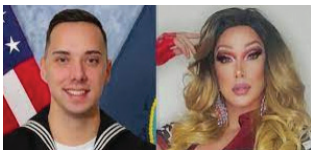

"America is stuck in a downward spiral! There's a storm coming, a dark time in our nation, as every demon from hell has been turned loose in our culture! We now live in a culture of confusion and lies. The intolerant left wants to destroy Christian organizations! The sanctity of life is under siege. Marriage has been redefined. And now we can't even agree on what a woman is. Satanic clubs are in our schools."

Major retailers like Target stores embraced satanism & the LGBT Pride Month just to sell clothes! So far, Target has lost \$9 billion in their promotion of LGBT clothing.

Franklin Graham is right, but he also warned Christians not to hide in their churches but be fully engaged in this battle for the heart and soul of America and for our children's future.

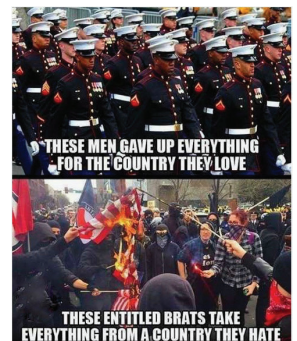

Military Preparedness

Josh Kelly as Drag Queen

Robert J. O'Neill, of Navy Seal Team Six, who personally killed the 911-mastermind, Osama bin Laden, tweeted his disapproval of the Navy's hiring of an active-duty drag queen to help recruit "the most talented and diverse workforce!" The US Navy used five sailors as drag queen recruiters in a pilot program that ran from October to March. One was Yeoman 2nd Class Joshua Kelley, who is a non-binary, drag queen recruiter. Rob O'Neill said, "I'm done. China is going to destroy us. I can't believe I fought for this!"

We have raised entire generations of people to dislike patriotism, who are overweight and unhealthy, recruitment is increasingly difficult. What is the military doing to fix the problem? They are going woke saying, "Come to the army and find yourself." This is the kind of pitch that gets you drag queens in the Navy but young, masculine, patriotic Americans say, "I'm not going to get on a submarine with this guy."

The Navy has become a social experiment. Our enemies are laughing at us. "We laugh at honor, and are surprised to find traitors in our midst." C.S. Lewis

AXIS OF EVIL part 1, #1832

We are living in **the most dangerous** time since WW II, as an axis of evil, consisting of Russia, China and Iran, is preparing for *war with us*. This new axis of evil is the result of President **Biden's** weakness, *ineptitude* and *incompetence* to the point that America *by default* has **abdicated its role as a superpower**. Other nations have seen America's abandonment, of an airbase with fighter jets, tanks and \$85 billion dollars of the most sophisticated weaponry, American civilians, and Afghani supporters, to the *rag tag Taliban* in Afghanistan. Russia, China and Iran are also gaining the support from other nations like Egypt, Saudi Arabia, France and **Brazil** in our own hemisphere who are *siding with the axis of evil*, because they see our weakness and want to be on the winning side.

American military strength is only as strong as its commander-in-chief!

JOE BIDEN and his top generals like General Milley *fled from the Taliban* in Afghanistan and was seen worldwide as one of America's most **humiliating defeats** in modern times. Radio/TV commentator, **Mark Levin**, says China is *not just preparing to take Taiwan* but is preparing to **go to war with us**. Nations, like people, have lifespans. The same conditions that ended the *Roman Empire* are now present in our nation, which includes the *invasion of foreigners* through our open Southern border, allowing 5.5 million illegals coming in since Biden took office.

If an enemy tried to do what our *Commander-In-Chief* has done to our country by violating immigration laws to allow an **illegal invasion**, we would see it as an **act of war**. Yet the Biden

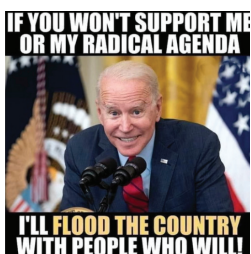

Administration continues to **erase our border and our sovereignty** as *10,740 individuals a day stream across our border*. cpb.gov That's *1,546,524* a year, comparable to **the population of Philadelphia**, to intentionally change the make up of our population. What so many brave Americans **died to defend** is being **lost** to a **Marxist revolution determined to ruin America!**

It's estimated that there will be **more than 10 million illegals** by the end of Biden's term *invading this nation*. These 'illegals'/invaders are *not skilled workers* but require government assistance thus **draining the economy**, increasing crime and **draining medical services** as hospitals are required to treat them!

“A nation can *survive its fools*, and even the ambitious. But it **cannot survive treason from within**. For the traitor appears **not as a traitor**; he speaks in accents familiar to his *victims*. He **rots the soul of a nation** to undermine the pillars of the city, he infects the body politic so that it can **no longer resist**.” Taylor Caldwell

Biden is just a symptom

The danger to our nation is **not just the incompetence of Joe Biden**, but a **populace capable of entrusting such an inept man with the presidency**. **Biden is just a symptom of a much deeper and more serious problem!** Undoing Biden's crimes are one thing, **but changing the beliefs of the depraved electorate that chose him is a much greater problem**. Then, in the mid-term election, a huge percentage showed **again their depravity** to elect so many Democrat/**Marxists** to Congress. Although it has been said that *we get the government we deserve*, millions voted for Biden and the Marxists and *millions of Christians did not vote at all*.

How could people vote for a man like Biden?

Did they hate Trump that much or did they love abortion so much? **Mark Levin** says that we have a **bloodless Marxist Revolution** going on within our country as our elections have become **irrelevant** and like a **banana republic** with votes counted *days after the election* and with delivery trucks delivering *ballots from the printers* in the middle of the night, and machines that *intentionally miscount votes!* Communist dictator **Joseph Stalin**, who killed some 20 million Russians, said, "It's *not the people who vote that count, it's the people who count the votes.*" **Our election system has been irreparably corrupted.**

American will not be a nation that helps Israel in the end times

Pastor **Greg Laurie** says America is not mentioned in prophecy either because we are no longer a super power but in *decline because our economy has imploded*, or because so many Americans are **RAPTURED** out to meet the Lord in the air, **that this nation collapses as a world power**. God has revealed His *master plan* of what's coming in the future in Revelation 9:16 that mentions a great army of **200 million troops**. China, with a population of **1.8 billion** people, **could easily have a 200 million-man army** as prophesied!

Pastor John Hagee says *history is repeating itself*, as Joe Biden is a *pathetic, vacillating leader* like Neville Chamberlain who tried to appease Hitler instead of confronting him. Biden is **pre-occupied with keeping the border W-I-D-E OPEN**, squandering TRILLIONS of tax dollars thus creating *catastrophic inflation*, sending billions to Ukraine, and surrendering our energy independence to make us dependent on other nations!

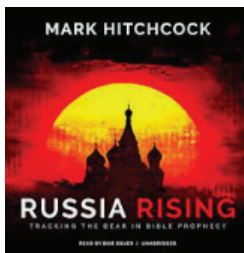

Biden is an enemy to the nation that entrusted him with the presidency.

End-times prophecy expert, **Amir Tsarfati**, says world empires go through 7 stages before their end comes. What stage is our nation in right now? Just as God's prophets in ancient Israel asked what God was going to do to Israel for their disobedience, God said He was *raising up the Babylonians to take Israel captive for their disobedience*.

So is God raising up China to take America captive for our apostasy?

Amir Tsarfati says while our military is 'fighting our greatest enemy GLOBAL WARMING' (a myth), bringing drag queen shows into the military and teaching our military to use *politically correct pronouns for trans-genders*, OUR ENEMIES, the AXIS OF EVIL, are preparing for WAR against us!

AXIS OF EVIL part 2, #1833

What are the signs that America is nearing the end of world dominance? Pastor **Mark Hitchcock**, author of *Russia Rising*, says, "Satan is doing *his best to destroy America* to create a one-world government with his **anti-Christ** as its ruler. It's easy to see America is rapidly declining due to the damages of the Biden Administration. Indeed, it would be hard *to imagine any planned agenda that would have been as injurious as what we've seen since Biden was elected*. But soon there will be a *rapture taking 20 to 30 million Christians out* rendering America a 2nd or 3rd world nation quickly."

Pastor **John Hagee**, author of *Earth's Last Empire*, says, "Revelation 9:17 describes the horses and riders who had breastplates that were fiery **red**, dark **blue**, and **yellow** as sulfur." China's flag is **red and yellow** while their military uniforms are **blue**. "The heads of the horses resembled the heads of lions, and out of their mouths came fire, smoke and sulfur." This is a *description of modern warfare*. The Apostle John describes a *vision of a modern war* with smoke and fire of cannons, tanks, helicopters, aircraft and helmeted soldiers. Pastor **John Hagee** says, "This passage describes an army whose number John heard was *two hundred million*. When Russia and their 5 allies attack Israel, God will say to them, "'Your fight is against ME!'" God will crush their massive army like stepping on an anthill. All that *needs to be done* prophetically is in place for the **rapture** of God's people.

NUCLEAR IRAN'S THREAT TO THE WORLD part 1, #1828

The religious leaders in Iran believe they can *accelerate the coming of their Muslim Messiah* by destroying Israel, and they may have the nuclear bomb and delivery system to do it – to *wipe Israel off the map*.

An atomic Iran could do in 6 minutes what it took Hitler 6 years to do, kill 6 million Jews.

Mark Hitchcock, author of over 30 books including *Iran and Israel*, says the stage is being set for a war between Iran, Russia and other countries against Israel. The deterrent for nuclear war with Russia was the deterrent that a **mutual assured destruction** (MAD) would keep each country from starting such a war. But the mullahs of Iran have no such concept for self-preservation. They have said repeatedly that they do not care about *losing a city or their nation if they could destroy Israel*. These '**CUKES with NUKES**' will not be stopped by threats of retaliation from Israel. Iran is the world's greatest sponsor of terrorism through their proxies Hezbollah and Hamas.

Amir Tsarfati, author of *Revealing Revelation*, says Israel's defense minister says it's imperative that their military prepare for a *first strike on Iran's nuclear facilities before Iran incinerates Israel*. Iran is anticipating the Israel air strike with Israeli **bunker buster bombs**, so Iran has buried and hardened their nuclear facilities deep under ground and made some mobile making it very difficult to destroy. Especially with Russia supplying Iran with advanced fighter jets and sophisticated defenses.

Greg Laurie says that Iran (Persia) mentioned in Eze 38:5 as attacking Israel in the end times which may lead to the war prophesied by Ezekiel where God intervenes to destroy the axis of evil – Israel's enemies. Although Israel has the 'iron dome' and other advanced weapons, more importantly Israel has Almighty God, who brought Israel into existence in 1948, who will fight for them. This is *not just a physical war but the spiritual war of the ages!*

NUCLEAR IRAN'S THREAT TO THE WORLD part 2, #1829

No generation has witnessed *more fulfilled prophecy* as *this present generation*. Yet many more prophecies are on the threshold of fulfillment. Iranian leaders believe the only way to bring the Caliphate into world dominion is to destroy Israel. **Joel Rosenberg**, author of *Damascus Countdown*, who predicted 9/11 *nine months before it happened*, now suggests Israel *will launch a preemptive strike against Iran*, but if Israel fails to get all the nuclear warheads, retaliation from the Islamic world would be *overwhelming*.

Neo-Marxist Tyranny

The neo-Marxist left is attempting to put former president Trump in prison for a series of petty bookkeeping missteps. This is what tyranny does. President Xi of communist China routinely puts his political opponents in jail. President Putin of Russia has put his leading critic in prison for nine years on contrived charges. Meanwhile, Joe Biden and his family have benefitted from millions of dollars from communist China. And yet the *entire legal system is ignoring what is the largest scandal in American history*.

END TIMES SCENARIO #1836

Jeff Kinley, the author of *Aftershocks – Christians Entering a New Era of Global Crisis*, says the antichrist, fully possessed by Satan, will perform miracles to convince the world that he is GOD! In the *Great Tribulation*, God's two witnesses of the truth of the Gospel are given great supernatural powers for 3½ years! Then God allows them to be killed and *the whole world sees their bodies* lying in the street. *Only recently has technology advanced to where the whole world can simultaneously see their dead bodies at the same time!*

Rev 11:9 says, "For 3 ½ days, *men from every people, language and nation will gaze on the bodies of the two witnesses*." Never before in history has there been satellite TV, cell phones and the Internet that could show their bodies through satellite technology that was invented July 10, 1962. Are we living in the *end of the age and the beginning of the Great Tribulation?* We are getting close!

Satan knows the Bible.

He knows he ends up in the *Lake of Fire* forever. But he has so *blinded himself by his pride* that he thinks he can *take on God and win*. Sure he has some victories. Satan thought that he could somehow *short circuit* God's plan by *destroying the Jews* so God couldn't fulfill his plan with the Messiah, so Satan could defeat God. Satan used Herod to kill all the Jewish male children under age 2 in an attempt to kill Jesus. But with the *thousands of years of killing and hate*, you would think Satan would realize *he can't win against Almighty God*.

In the middle of the 7 years of the Great Tribulation,

Satan is *thrown down to earth* once again with hordes of his demons. And *all hell breaks loose*. This *demoralizing defeat* will *infuriate* him and *ignite a fury* never seen before on earth. He will *explode with rage* and wrath knowing he has only a short time left. Jesus said, "When you *see the abomination of desolation* standing in the holy place – flee to the mountains." Since there has not been a temple in Jerusalem since the last one was destroyed in 70 AD, for the anti-Christ to commit the *abomination of desolation*, there *must be a temple* in Jerusalem. **Kinley** says preparations are being made to build a *third great temple* that could take as little as a few months to a year.

Some people say the rapture is just an escape.

It's no more an escape than *getting on Noah's Ark* before the Great Flood. **Jeff Kinley** says the time is coming when *all believers* will be 'caught up' i.e. *raptured* up to be with Jesus, as the *Christ rejecting world* goes through the *Great Tribulation*. The pre-tribulation rapture is referred to *14 times* in the New Testament. Five times it refers to being 'caught up' to heaven. *God's anger was satisfied with the sacrifice of His Son on the cross as payment for our sins. God will no longer punish us! We won't be under God's wrath in the Great Tribulation*. There is no mention of His Church after Revelation 4, because they have been *raptured out before God pours out his wrath*.

Believers in Christ will come *bursting out of their graves, out of the deep ocean depths with re-made, resurrected bodies, re-united with their spirits from heaven*. We will be in a glorified state with a body like Jesus when he rose from the dead. We will return to heaven with Jesus to remain during the Great Tribulation on earth. "In a moment, a flash, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed." 1 Cor 15:52 The Rapture will be instantaneous!

After the Rapture of 20-50 million Christians vanishing, this nation *will collapse* and will no longer be a 'super power'. What will those left behind say? **Alien abduction?** *One man* will emerge from the worldwide chaos and

parlay this post rapture mayhem into leadership to assemble 10 nations together to rule Europe. This will be a final *One World Government, headed by the anti-Christ*, in the same area as the Ancient Roman Empire.

Jeff Kinley reveals *God's magnificent plan from rapture to return to earth with Jesus to be in His Millennial Kingdom and reign with Him for a 1000 years*. What will life in the Millennium be like? ***After the Millennium, the New Jerusalem will come down from heaven***. *It's fantastic that God is telling us in advance what his magnificent plan for the future in eternity will be!*

CAESAR'S SCHOOLS PRODUCE ROMANS! #1837

How did our nation go from being a ***light upon a hill*** to ***pushers of perversion?*** ***How did our culture become so crude, vulgar and violent, even blasphemous in such a short time? What has caused the moral collapse in this "one nation under God?"*** If public schools *just teach academics*, why do nearly 90% of Christian students lose their faith in God after going through Caesar's/government public schools?

For all our social problems – increase in crime/violence, illiteracy, drug abuse, gangs, immorality, pornography, homosexuality, vulgar/crude language and ***blasphemies against God*** – ***all these are mere symptoms, there has to be a root cause!*** What do you think it is? _____.

Although there are many factors that have led to the *deterioration of the fabric of our culture*, there is **one common theme**, more than any other, that has directly contributed to this nation's **decadence!** When you consider that the vast majority (90%) of Americans have gone through at least 12 years of *public education* – the most likely cause is ***what's taught in public schools!***

If you send your child to Caesar's schools, expect them to come back as Romans. What does the Bible say about educating children? **Voddie Bacham**, author of *Fault Lines; The Social Justice Movement and Evangelics Looming Catastrophe*, was raised by a teenage, single, Buddhist mother in the LA ghetto. He had every reason NOT to succeed, to become another drop-out – a criminal who couldn't make it out of poverty who would turn to gangs and crime, yet with God's leading, he has earned a Master of Arts degree from *South East Baptist Seminary*. He went through *New Mexico State and Rice Universities*, where he played football as a tight end. He became a pastor, author and educator. Now he warns Christians of the great cause of apostasy.

The majority (90%) of American Christians are making the exact same **HUGE mistake - *trusting Caesar to disciple Christian students.***

- ✓ Christian parents have no idea *what's in their child's curriculum like Critical Race Theory/ LGBT, etc.*
- ✓ Parents have no idea *what text books their children will read!*
- ✓ They know nothing about *who will teach their child.*
- ✓ They **know nothing** about the *humanist goals for their children.*

Christian Parents Just Trust Their Local Public Schools.

Even if they have Christian teachers, that teacher is NOT paid by Caesar to teach *anything Christian*. Christian teachers must teach an ***ungodly curriculum or be fired.*** **There's no neutrality in education.**

Education is discipleship.

Do you want your child to become like their **secular** teacher?

A secular system produces *secular students!* Jesus said a student **will** become **like his teacher.** (Lk 6:40) Years later, parents ask what *they did wrong* so that their son or daughter rejected their Christian faith. What they did wrong was turn the *discipleship* of their children over to a system that has mastered turning Christian children against their faith. The educational system sees it as their **duty to transform** the minds of Christians to worldly thinking.

If you choose a local public school to teach/disciple your child, you have a near 90% chance they will reject Christ as their savior. We are talking about their eternal destiny. Nobody cares as much about your child as you the parent. You will either suffer or rejoice a lifetime on where your children are taught.

Nobody has a greater love for your child's eternal soul than Jesus who gave His life for them on the cross. ***It's too big a risk to trust your child's eternal life to a schools system that routinely destroys 90% of Christian children's faith in Christ. While nearly 90% of home-schooled children retain the Christian faith.***

DO NOT BE CONFROMED TO THE WORLD!

Ro 12:2 “**Do not conform to the pattern of this world**, but be transformed by the **renewing of your mind.**” **Everything** about a public education transforms the minds of students to **the pattern of this world, just the opposite** of what this scripture says **NOT** to do. It produces a worldly *world-view* that’s in opposition to Godly thinking.

“You adulterous people, don't you know that **friendship with the world means enmity against God?** Therefore, anyone who chooses *to be a friend of the world* becomes **an enemy of God.**” James 4:4-8

You may ask how can a public school education make students **enemies of God?** Isn't that going a little too far? Listen! A system that ignores God, teaches students to ignore God. That's not neutral since it teaches students implicitly that **God is unimportant – irrelevant to their lives.** That they can live **WITHOUT God.** That's anti-Christian to the Core. In Caesar's public schools, **MAN IS GOD!** They are their own god. That's humanism.

Jesus said, “If you are not **with me**, you are **against me.**” The greatest sin is *turning their faith away from God.* That's called **blasphemy against the Holy Spirit.** A school system that **ignores Christ in creation, that ignores Christ in history, morals and salvation is against Christ.** It's **anti-Christ.** Just talk to some of the apostates who have left the faith, and they'll tell you, “I used to believe the Bible, but I no longer believe **those myths anymore.**”

So how can a person be saved if there are no absolutes?

Believing that only through faith in Jesus Christ can a person can be saved is **an absolute for all people.** It's not just right for one but not for another but for ALL PEOPLE. *Without absolutes, there is no belief in salvation.*

85% of church children believe what's *right in one situation for one person* may NOT **be right** for another person in the same situation. That's relativism. So nothing can be *right for all people* in all situations, right? So situation ethics or relativism *trains kids to break the Commandments* since there are no absolutes. So doing drugs, stealing, viewing porn, having sex **may not be right for you – but its okay for me.** Thus, all the Commandments God gave mankind are systematically taught to be broken, since there are no absolutes.

The Ten Commandments originated with God. **They aren't the work of a committee or psychologists!** The pre-incarnate Christ drilled His Almighty finger into granite to write them for all mankind for all time. God wanted them to be written in stone so **people wouldn't try to change them.**

God gave mankind the Ten Commandments because He loved us.

The Commandments are the **antithesis** of an educational system that **eliminates God and teaches situation ethics.**

What Moses brought down from Mount Sanai are **not the ten suggestions.** They are **commandments.** "Are," not "were". Not just for then, or now, but **for all time.** There are only Ten. God could have given 100 or 1000. But God - the Master of concise truth, gave us ten. **God's law is absolute and unchanging.** It is permanent. It won't shift in the next generation. The Ten Commandments are for all PEOPLE! FOR ALL TIME! That is an absolute!

In 1887, shortly after public schools had begun, Alexander Hodge, a Princeton Theologian warned: A universal public education system separate from Biblical Christianity will prove to be the **most appalling propagation of anti-Christian unbelief which this sin-rent world has ever seen!** He is proven right! A secular education produces or propagates atheist students!

IS COMMUNISM COMING TO AMERICA? part 1, #1838

We take our precious God given freedoms for granted. Powerful forces want to make our nation socialist, even communist. Immigrant **Jamie Glazov** describes the terror and oppression in the USSR before coming here but how America was like heaven. As a graduate student, Jamie tells how university professors believe and teach that communism is wonderful and capitalism is oppressive! Russian military scientist, **Dr Igor Shafhid**, former communist and author of *Inside the Red Zone*, says, “We could lose a city to terrorists and recover, but if we adopt a communist ideology, the whole country is lost.”

LOSING OUR LIBERTY part 2, #1839

Our precious freedoms are not based on government but on God. Freedom isn't appreciated until it's lost. **Todd Starnes**, a Fox News commentator and author of *Culture Jihad-How to Stop the Left From Killing a Nation*, says, “What's happening in our country is the result of what has happened in schools being run by radicals. Without Biblical values, we are left with chaos.” **Os Guinness**, author of *Last Call for Liberty- How America's Genius Has*

Become Its Greatest Threat! said, “Freedom comes from self- government, not external force. As our freedoms end, it’s a catastrophe, not just for America, but also for the whole world!”

THE HIGH COST OF FREEDOM #1834

Although some veterans have gone to help secure Ukraine’s border, our commander-in-chief has opened up our borders to illegals! **Mark Levin**, author of *American Marxism*, says, “The greatest crisis of our time is Biden’s violation of our immigration laws to change the populace of America.” John Steer, author of *Wounded Soldier*, gives fascinating accounts of his experiences in Viet Nam. **Gary Horton**, a former Army Ranger, who fought for our freedoms, is not given the freedom to speak about his Christian faith in public schools. Schools have re-written our history, banned the flag, and banned the motto and the pledge.

WHAT IS A WOMAN? #1835

Matt Walsh, producer of *What is a Woman*, gives a powerful speech to the Loudoun Country School Board telling them that they are purposely deceiving children by saying *masculine girls are boys*. School kids are being used as *pawns in the cultural/spiritual war*. Teachers are trained to teach ‘gender equality’, ‘gender identity,’ and sexual orientation to children. It’s *child abuse* to try to *change a child’s innate nature*. **Michael Gurian**, author of *Raising Boys By Design*, says *boys learn differently than girls* and need to be *taught differently*.

Loony doctors, who believe the nonsense that a boy or girl can take drugs and have surgery to magically become the opposite sex, are mutilating children. Lincoln once rhetorically asked an audience, “If you call a dog’s tail a leg, how many legs does it have?” When some people answered, “Five,” Lincoln explained that the correct answer was four because, “*Calling a tail a leg doesn’t make it one.*” That’s the lie the transgender movement is built on. Sorry, but no one is capable of changing a person’s gender, but that hasn’t stopped eminent hospitals and surgeons from advertising to the contrary.

Transgenderism is nothing more than a drawn out and expensive Halloween.

WHY I LEFT ISLAM part 1, #1830

What if you believed that *your only chance to go to heaven was to die in Jihad*? That killing the infidel is the only way to heaven? **Walid Shoebat**, author of *Why I Left Jihad* and *Why We Want to Kill You*, wrote, “To die killing Jews would ease Allah’s anger toward my sins, and I would be assured a place in heaven with beautiful virgins.” He began attacking Jews when he was just 8 years old. His childhood poems were about flying body parts and blowing up Jews. Walid says. “Muslim terrorists are no different from Nazis throwing Jews into ovens.”

Walid came here as a college student, but his real motivation was to raise money and *recruit students for jihad*. Walid, now a Christian, warns of the dangers of Islam that’s winning university students.

How do you fight someone who wants to die in Jihad?

Our enemy is totally committed to their beliefs. Our side is apathetic and uninformed. Muslims have infiltrated our universities under the guise of **multiculturalism**. Our textbooks describe Islam in glowing terms but portray Christianity in a harsh light. The primary goal of Islam is to kill Jews. The land of Israel is irrelevant compared to *eliminating Jews*.

Amazing: A Muslim man in Egypt killed his wife because she was reading the Bible and then buried her with their infant baby and 8 year old daughter. *The girls were buried alive*. 15 days later another family member died. When they went to bury him, they found the 2 little girls under the sand – **ALIVE!** The older girl was asked how she survived. She said, “A man *wearing shiny white clothes*, with bleeding wounds in his hands, came every day to feed us.” There was no other way they could have survived except through this miracle.

At a time when we shake down 80 year old grandmas at airports, *we have opened the borders to millions of Muslims*, many of whom are or will become Muslim terrorists. It was just 19 Muslim terrorists who hijacked the planes and flew them into the Twin Towers on 9/11. Some of them learned to fly right here.

Why we might lose to Islam.

The real danger is not radical Islam *per se*; its danger is *indirect*. What Americans suffer from is a **deep dose of relativism** where there is no objective truth, *no religion is any better than any other*, God is the *same as Allah*... Generations of Americans have lost the concept that, “Blessed is the nation whose God is the LORD!”

WHY I LEFT ISLAM part 2, #1831

Schools don't tell students *how intolerant and cruel Sharia Law* is, or that it was Christianity that gave this country our freedoms. Former Muslim, **Jerry Rassamni**, author of *From Jihad to Jesus*, tells how angry, *fearless and barbaric* he was in killing Christians in Lebanon. Jerry Rassamni is a living miracle. He was once a hardened Muslim terrorist who was transformed by the love of *Jesus shown through Christians*. This magnificent message is filled with compassion that will bring tears to your eyes. **Allah is not just another word for God. Allah is Satan leading billions of Muslims to hell!**

Our Commander-in-Chief is Jesus Christ

Jesus Calms the Storm

Suddenly a *furious* storm came up from the sea that was so *violent the huge waves* broke over their boat and began to fill it with water. Jesus was so exhausted from the long day of healing and teaching, he *slept so soundly* that not even the tossing of the boat, the roar of the wind, or the *crashing waves* splashing water in his face awakened him. Jesus was soaked to the skin while lying on hard planks. The *wind howled and waves crashed* so that it tossed their boat like a cork bobbing in the water. Yet the Creator of the universe slept soundly in the midst of it all.

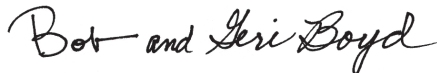

The disciples went and awakened him, saying, "Lord, save us! We're going to drown!" Several of these men were professional fishermen who had experienced storms before but nothing like this. They were totally out of control and had nowhere to turn *except to Jesus*. Jesus' first response was to gently *rebuke* them for their lack of faith. He said, "Why are you so fearful." The disciples must have wondered why Jesus was NOT AFRAID! It was the middle of the night and the *horrendous storm was sure to sink the boat*, any other response but fear seemed foolish and unnatural. Jesus' extreme calmness so perplexed the disciples, they accused him of insensitivity: "Teacher, do you not care that we are perishing?"

But Jesus turned their rebuke back on them. He replied, "You of little faith, why are you so afraid?" They were fearful because they *lacked faith in WHO was in the boat with them*. He could have asked, "**Haven't you seen enough of my power and experienced enough of my love to know you are perfectly safe with me here with you?** You have seen me perform miracle upon miracle, even on behalf of those who never trusted in me or even bothered to thank me. You have seen my power and my compassion, and you should know that because of my power, I can help you and that because of my compassion I WILL HELP YOU! Even if you should drown, don't you know that would mean **instant heaven for you?** What, then, do you have to be worried about?"

Brothers and sisters, even though we are aware of the power and love our Lord has for us, we can also succumb to fear. Yet we have no reason to be afraid of anything ever! Because our Lord's power and love, he will take care of us - his children, there is no danger that we need to fear. **But simply being alive is to be fearful.** Even after we have seen God do marvelous things, we still fall into doubt and fear.

Then he got up and rebuked the winds and the waves, and it was completely calm. Just a word from the Creator - Jesus, "Hush, be still." And the winds stopped, the waves ceased, and the water became like glass. Normally storms gradually subside. **But this storm ceased instantly.** Jesus stopped it **with just a word** - an easy feat **compared to his bringing the entire world into existence with a word.**

The men were amazed and asked, "What kind of man is this? Even the winds and the waves obey him!" The men could not imagine what **kind of man Jesus was, that even the wind and sea obey him. They were now more afraid of the one who had stilled the storm than they had been of the storm itself.** Many of them had encountered dangerous storms, but none had encountered such **supernatural power as Jesus here displayed.** The disciples suddenly realized that GOD HIMSELF was standing in the very boat with them, and they were terrified by his power and presence. Our lives change when we realize that **Jesus is not just standing beside us, but as he promised (John 14:17) has come to live inside us, then our fears subside and our faith increases.**
